

# Are you a Home Healthcare agency manager?

**We would like your input on a computer gaming approach being developed to provide occupational health and safety training to home healthcare workers.**

**You could participate in this study if you...**

- Are at least 18 years old, and
- Have worked as a home healthcare agency manager for at least 3 months

**What you'll do:** Complete a survey and participate in a small group interview. During the interview, you will try out the current version of the software and discuss with OSU researchers how the next version could be improved, and how agencies might implement such a program for their employees.

**When and where:** At a time and location that is convenient for you and the research team.

**How much time will this require?**

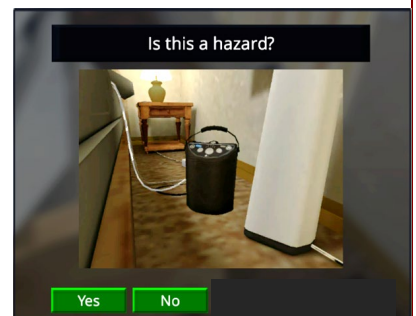

- Survey: 15 minutes
- Group interview: 1.5-2 hrs

**Incentive:**

- You will receive a \$150 gift card for taking part in this study

**Taking part in this study is voluntary.**

**Would you like more information?** If so, please contact Carolyn Sommerich, at 614-292-9965 or [sommerich.1@osu.edu](mailto:sommerich.1@osu.edu)

**The fine print:** This research project has been approved by OSU's Institutional Review Board. The principal investigator is Dr. Carolyn Sommerich of OSU's Department of Integrated Systems Engineering. If you have questions or concerns about your rights as a research participant you may contact the Office of Responsible Research Practices at 1-800-678-6251 or [hsconcerns@osu.edu](mailto:hsconcerns@osu.edu).
