

Are you an aide, nurse, assistant, or other professional care provider who works in Home Healthcare?

We would like your input on a computer gaming approach being developed to provide occupational health & safety training to home healthcare workers.

You could participate in this study if you...

- Are at least 18 years old, and
- Have worked in home healthcare for at least 3 months

What you'll do: Complete a survey and participate in a small group interview. During the interview, you will try out the current version of the software and discuss with OSU researchers how it could be improved.

When and where: At a time and location that is convenient for you and the research team.

How much time will this require?

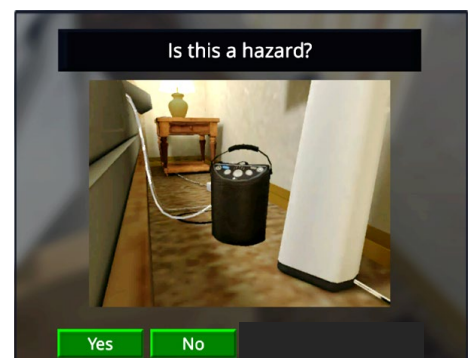

- Survey: 15 minutes
- Group interview: About 1.5 hrs

Incentive:

- You will receive a \$100 gift card for taking part in this study

Taking part in this study is voluntary.
