ABOUT THE COUNCIL

Supporting Ohio's Caring Community

Established in 1965, the Ohio Council for Home Care & Hospice (OCHCH) is a non-profit association that represents the interests of health care at home providers in Ohio.

OCHCH advocates for ethical, compassionate, and quality home and community-based care, as well as for the individuals and families our members serve. As the voice of health care at home, we strive to provide value, resources, and partnership for those who provide care for our most vulnerable citizens.
